

CERTIFICATE OF COMPLETION

This Certification is Proudly Presented to

Abeelash R

has successfully completed a **Data science Internship** at **ALO Info-Tech Pvt. Ltd.** from **08/06/2026** to **19/06/2026**.

During the internship, the intern developed foundational skills in Data Science, focusing on Python programming, data manipulation with Pandas and NumPy, and data visualization using Matplotlib through hands-on tasks and real-world applications.

We appreciate the efforts and contributions made throughout the internship and wish success in all future endeavors.
